READING NEWSLETTER

Spark book awards

Over the last few months, a group of year 6 children were chosen to become Spark Book Award judges. We were sent a selection of brand new books from Sparks! Our keen readers had to read and review as many books as possible to decide which was their favourite and why. They have voted for their favourite book and we can't wait to hear the results!

Topsta

<https://topsta.com/>

Do you love reading books? Would you like free books to review? Well, look no further! Check out the Topsta website where you can enter giveaways to win free books! Publishers and authors give away these books because they want to know what you think of them.

Gold Star Rewards

We would like to take this opportunity to say a huge thank you for your support in developing your child's reading at home. Those children who have had their diary signed at least three times per week and that have received their gold star every week in the Summer term will have the opportunity to wear their own clothes to school on **Friday 21st July!** Letters will be sent home shortly.

Nursery reading

This month, a group of Year 6 children had the opportunity to visit Nursery and share a book with them! Year 6 children were very excited to share their reading skills and support Nursery with their reading.

Here's what some of our Year 6's had to say!

"Yesterday, I read with nursery. I liked that they were interested in the books. I would like to see them again as they are very enthusiastic about it. I would like to read a lot of books with them again."

Della

"We went over to nursery to support them with their reading. I read with Leith, Hemen, Skyla and Darcy. They were very good at describing the pictures and loved to talk about themselves. I think reading with nursery is a great way to support them."

Joyce

"Yesterday, we read to nursery. During our visit, I read to four children. They enjoyed describing the colours, people and animals in the book. I enjoyed talking to them about different objects seen in the pictures. I enjoyed this experience as they were excited to describe the features of the book. I would love to visit again!"

T'yana.
